Dear Dr. Calhoun,

You have been selected as applicant's free choice primary treating physician pursuant to Labor Code Sections 4601 and 4600. You need to comply with the provisions of Title 8 Cal. Code of Regulations Sections 9785 and 9785.5 with respect to Primary Treating Physicians and provide a written Treatment Plan.

Bill your reports under the Evaluation and Management Section of the Official Treatment Fee Schedule and not as a medical-legal expense, unless, as the Primary Treating Physician, you are writing a Permanent and Stationary report under AD Rule 9795 (d) and you may bill .80 of ML 101-104 as applicable.

Please submit your medical report to our office and to the Claims Administrator. Please see the attached DWC return to work & voucher report instructions. This document is necessary in order for the injured worker to obtain a supplemental job displacement voucher and in order to apply for additional benefits including an additional return-to-work supplement of \$5,000.00. Thank you for your cooperation.

Very truly yours,  
Goldberg & Ibarra
